

The agreement between COBRAMAN partners PP 3, PP 5, PP 8 and PP9 concerning WP 6 and WP3

1. PP 5 is committing itself to the preparation and the implementation of European School for Brownfield Redevelopment as 2 years MSc. study program, accredited by Czech Ministry of Education in Czech and/or English language, including proper study materials. The ready draft of study program will be subjected to the assessment and counsel for PP 3 and PP 8 partners.
2. PP 3 is committing itself for technical designing of e-learning modules. It is appearing in the role of the coordinator of e-learning. Decisions about software used and course contents will be discussed with PP 5, PP 8 and PP9 partners.
3. Partners PP 3 and PP 5 are committing themselves to sign an agreement in the frame of the LLP Erasmus program for students and/or teachers exchange.
4. In WP 3 frames, PP 5 (Ostrava) is responsible for a purchase of two servers as well as technical support of servers for the entire duration of project and operating the database also after the project period. PP 5 is obliged to create the database structure, whereas the PP 3 partner will deliver substantive contents of the above database in agreed form.
5. PP 8 commits itself to prepare two cohesive booklets with contents/description of study programs -European School for Brownfield Redevelopment, worked out by PP 5 and/or e-learning courses worked out by PP 3 and PP9.
6. Partner PP9 will be involved in preparation of two topics (**complete please**) in e-learning course administered by PP3.
7. Each partner will contribute to final Guide to Brownfield Management (core output 3.3.2, WP3).

- 8. All agreed sharing of duties in WP6 and WP3 does not influence commitments of partners in other WP's and complete project tasks.
